In 1919, Boston journalist Lucien Price began to write what would become an eight-volume series of novels on a homosexual emancipation theme.

Between 1951 and 1962, Price privately published seven of these novels, each of which tells a self-contained story, with the whole covering the years 1893 to the late 1950s--historical fiction providing a panoramic view of American male homosexual life and including many autobiographical details.

Printed in small editions of several hundred copies, Price's novels have remained unknown, their author forgotten. [In 1988, I said that the "novels are mentioned in only one obscure published source".]

Price and his novels were brought to my attention by an extremely generous correspondent, Michael
