

IS GAY GOOD?

Here, at last, is a novel that dares to be completely honest about homosexuality. There is no sensationalism, no subterfuge, no apologies. There are no stereotyped flaming faggots. The "sexual offenders" do not commit suicide at the end. *The Lord Won't Mind* is, if you will, a love story—a happy homosexual novel. It is also the most outspoken, most extraordinarily graphic book on the inner workings of the gay world ever written.

There will be some who bitterly condemn *The Lord Won't Mind*. There will be others who applaud its publication as a landmark in the continuing fight against literary censorship. No one—but no one—will be neutral.

THE LORD WON'T MIND

by
GORDON
MARK

Natal Horoscope Charts

Set-up and interpreted. \$5 (public service!) Judy Cartisano — Taurus Rising Gallery, 124 West 23rd St. If you can't afford, we'll discuss.

OUTASIGHT/Boutique design by Barbara Payne — 877-1245. Wholesale and retail.

HELPFUL HINTS: The no. 14 brass washer (\$2.60/lb.) with tape over the center hole works in all 3-slot telephones. They also work in parking meters, cigarette machines, juke boxes, stamp machines, etc. It's a trial and error procedure but the results are encouraging.

Danish twenty-five Ore's, Jamaican half-pennies and Bahaman Pennies are great as subway tokens. On sale at 191 East 3 Street.

high tide

2 eggs
dash of salt and msg
2 tablespoons of corn
1 teaspoon marijuana

tonnaey lightfoot

Get out your whip and beat the shit out of the eggs; add all the other ingredients except marijuana, butter your frying pan, pour eggs in, top with marijuana, stir until you can't stand it any longer, then eat 'em.
