The Honorable John F. Foran
16th Assembly District
State Capitol
Sacramento, Calif. 95814

Dear Assemblyman Foran:

I am pleased to learn that A.B. 633, extending fair employment coverage to gay people, has been reported out of the Labor Committee. Such legislation is long overdue. Teamster Local 888, Beer Drivers and Salesmen, has recently succeeded in placing an openly gay person as a beer driver. We hope more will follow.

We are grateful for the wide support the gay community has given to the Coors Beer Boycott, which is directed against the racist and sexist policies of that company.

When gay people face discrimination in employment all working people are less secure in their jobs. A.B. 633 is an important step in the long struggle of the gay population for human rights and dignity. We enthusiastically endorse this bill. Let us know if we can aid its passage.

Respectfully,

Allan Baird
